

KunstZahnWerk® (Art of Denture) Competition 2012

“And the winner is...”

Among 49 registered participants, 10 submitted entries were judged by an independent jury made up of prosthetics specialists; and the winners of the 1st North American KunstZahnWerk® competition have been chosen.

Candulor would like to thank the prestigious panel of judges for their time and effort during the selection process.

From left to right: Robert Kreyer CDT, Director of Removable Prosthodontics MicroDental - Antonio Ferilli MDT, Products Manager Candulor AG - Renzo Casellini MDT, Owner, Swiss Quality Dental Implant Studio - Tae Kim DDS, Chair, Removable Section USC School of Dentistry - Peter Brudus-Breil, Products Manager Camlog USA

All finished cases will be prominently displayed at the Candulor KunstZahnWerk® “Art of Denture” Gallery during the LMT Lab Day at the Chicago Sheraton Hotel and Towers, Level 2 LB Promenade on February, 24th to 25th, 2012.

All winners will be announced at the Award Ceremony on Friday, February 24th, 2012 at 6pm Sheraton Hotel and Towers - Michigan B room Level 2

We are looking forward to seeing you at our booth and/or the award ceremony.
